

MUSIC LEADER

Could this be you (or a friend of yours, perhaps)?

St George's, Tuffley in Gloucester aims to be a worshipping, caring and pioneering community.

We work closely with other churches locally to 'grow the kingdom of God'.

We're now looking for a Music Leader, with:

- Skills in playing organ and piano/keyboard
- Ability to develop our singing group
- Commitment to shaping our worship for the future using a range of music styles.

We want someone to work with us enthusiastically to develop worship that's attractive and relevant across the local community.

Talent-spotting and enabling others in playing instruments would also be helpful.

If this could be you, please don't delay – get in touch to find out more...
